Mr. Parkin, was really nice to meet you today. In behalf of my Council President, Luki Akelkok Sr., Ekwok extends a hand inviting you to Ekwok on the 21st of Feb for a meeting with the Tribes. Couple of details, dont know how long you've been in Alaska or what bush flying experiance you may have. Let me introduce you to a phrase I use its called Alaska time. Meaning the plane comes when it comes. You should prepare for 1 day travel in, 1 day meeting and 1 day travel out, fog, wind and rain is the norm make sure your insurance is paid (just joking I'm sure your a seasoned hand). My office line is 907 464 3336 home just ends with a 4. We appreciate EPA taking the time to meet with us. Couple of options, Pen Air to Dillingham then a hop to Ekwok. Or you can take Denainia Air Service (\$560.00) from Merrill Field, Josh will land you in Ekwok cheaper then Pen (under \$600.00) and then the hop (about \$200.00). Please blurb me back that way I know we have connected. Sincerely Rick
